

PRODUCT DESCRIPTION

Serveredge Wall Mount cabinets and rack enclosures are perfect for storing your standard rack mount equipments on wall in various locations such as wiring receptacles, POS stations and offices where you have access to very limited floor space. This Serveredge rack is made up of sturdy wall mounting bracket and steel frame. Vertical Mounting Rails in the rack are adjustable and can accommodate all standard 19 inch rack equipment. These Serveredge wall mount racks feature a toughened & tempered lockable glass door with perforated side panels to assure a generous airflow to keep your equipment operating safely. Side Panels of this rack are lockable & removable to ensure easy access to the mounted devices. The top and bottom panels of this rack include convenient cable routing ports. The rack ships fully assembled and comes with a 25 Year manufacturer's product warranty.

- * Serveredge Wall Mount Rack Enclosure
- * M6 screws
- * M6 cage nuts
- * M6 washers
- * (2) Keys
- * Shelves
- * Castors
- * Stabilizing feet
- * Power Distribution Unit (in select units)

Key Features

Simple Equipment Installation: Front & Rear pairs of the mounting rails can be adjusted in one – inch increments. Adjustment is quick and convenient—simply unscrew the rails, slide them to the desired depth and restore the screws. Racks Space are numbered for easy reference.

Lockable Front Door & Side Panels: The lockable front door along with the side panels provide secure access to the mounted equipment's.

Modular Side Panels: The Serveredge wall mount rack enclosures includes two lockable, removable side panels for ease of installation and service access. The side panels are perforated to allow generous airflow.

Wall Mount Rack

Removable Back for Easy Access

Rack Key

RU Marking

Horizontal PDU

Optional Castors
(comes in a 4 set)

CBN-9RU-64WM, CBN12RU-64WM and CBN-15RU-64WM can be installed as Free Standing Cabinets when used with a set of Serveredge Lockable Castor Wheels - CASW04 (To be Purchased Separately)

Vented Top and Bottom Panels with Cable

Cutouts: The top and bottom panels of these racks are furnished with vents designed to help remove warm air from the enclosure and draw in cool air by convection. They also support installation of standard user-supplied case fans. The top and bottom panels are also provided with ports for cable routing through the enclosure. Removable covers block unused cable ports.

Peace of Mind: The Serveredge wall mount rack enclosures comes with a 25-year manufacturer's product warranty.

Typical Applications

IT network environments with limited floor space, Wiring receptacles, POS stations, offices & Classrooms where equipment needs to be secure and out of the way.
