Charge both Android and iPhone Quickly and Safely:

The ALOGIC Prime Series USB-C 5,200 mAh Ultra Portable Power Bank is designed to power two USB devices simultaneously on the go. The power bank features one USB-A connector with 2.4A current output and one USB-C connector with 3A current output

Smart Charge technology keeps your device safe while maintaining the maximum charge rate for your power hungry mobile devices.

5,200mAh Power Bank with the latest Type-C Connector:

Charges two devices simultaneously such as tablets and smartphones.

Fast charge both ways with the USB-C port.

Ultra Portable & Premium Aluminium Build:

Machined unibody Aluminium chassis for a clean, elegant & durable design. Extremely light and portable.

Included USB Type A to combo micro USB + USB-C Cable eliminates the hassle of carrying a separate USB Cable.
