The Matrix+ Wireless Car Charger with Air Vent Mount connects your MagSafe or Qi-compatible device to fast, wireless power on the road. When you reach your destination, simply detach the power bank to keep charging on the go. Its ultra-strong magnetics hold your phone secure in portrait or landscape for easy access. Also available with a Windshield and Dashboard mount (MSPBCMDM, sold separately).

Power Bank Recharges Wirelessly

The Matrix Power Bank recharges wirelessly in the Car Mount, ensuring you've always got a full phone's recharge worth of power ready to take with you when you reach your destination.

Portrait or Landscape

With a magnetic mount, it's fast and easy to switch your phone from portrait to landscape to take advantage of Google or Apple Maps.

Secure Magnetic Mount

The Matrix Power Bank's strong magnets hold your phone secure in the car mount, even on the bumpiest roads.
