IMPACT SC 30 / SC 60

When talk matters

EPOS | Sennheiser SC 30 and SC 60 are professional wired headsets designed for all-day use in busy contact centers and offices. The headsets are optimized for desk phones with an integrated Easy Disconnect plug to withstand long-term usage. The headsets feature EPOS ActiveGard® that protects the user from acoustic shocks, a noise cancelling microphone for optimum speech intelligibility and EPOS Voice™ technology for an overall more natural listening experience. Combine all this with ultra-light weight design and comfort enhancing details, and you get a headset you will never want to take off.
